

## Soccer Village Uniform & Spirit Wear Ordering System Instructions

1. Begin by either going to [www.SoccerVillage.com](http://www.SoccerVillage.com) and selecting the box to the right or directly enter the link [www.teamhubsports.com](http://www.teamhubsports.com).
2. Enter your email address and password if you have previously ordered in the *Already have an Account?* fields. Click Login. If you are a new user, please enter the requested information in the *Sign Up* fields and then click Sign Up.
3. The first time you login, you will need to add your coach/players to your account. Going forward, you will not be required to re-enter any of this information and will just select the coach/player for which you are ordering.
4. Once you select *Add a New Player*, the system will prompt you to enter the club code for that player. After entering your club code, you will need to either hit enter on your keyboard or click the search icon. You will then need to update all of the remaining fields. Once finished, click *Add Player*.
5. Choose the person for which you are ordering and the system will guide you through the ordering process. Once you are finished selecting your items, click on the shopping cart to proceed to checkout where you can review and complete your order.
6. If you are ordering for more than one person, after you place your first order, you will need to go back and choose *Change Player* in the upper right corner of the page before choosing items for your next order.
